1966 OWL DEDICATED TO CHARLES F. EMERY, JR.

A yearbook should be dedicated to a person who is outstanding as a teacher and as an individual. A good teacher is one who has a thorough knowledge of his field and the ability to impart this knowledge to his students--but equally important, the enthusiastic desire to teach. The word which best describes an intelligent, civilized man is "gentleman". A true gentleman is considerate, sincere, and has an interest in his fellow man.

For his complete fulfillment of the above characteristics, his enthusiasm in coping with the special difficulties of each student, his genuine interest in the student body, both inside and outside of class, his warmth and depth of personality, his interest in the stimulation of the arts, and for his invaluable help as advisor of the DANE and the Literary Review, the Class of 1966 dedicates this year's OWL to Charles F. Emery, Jr.

WORDS FROM...

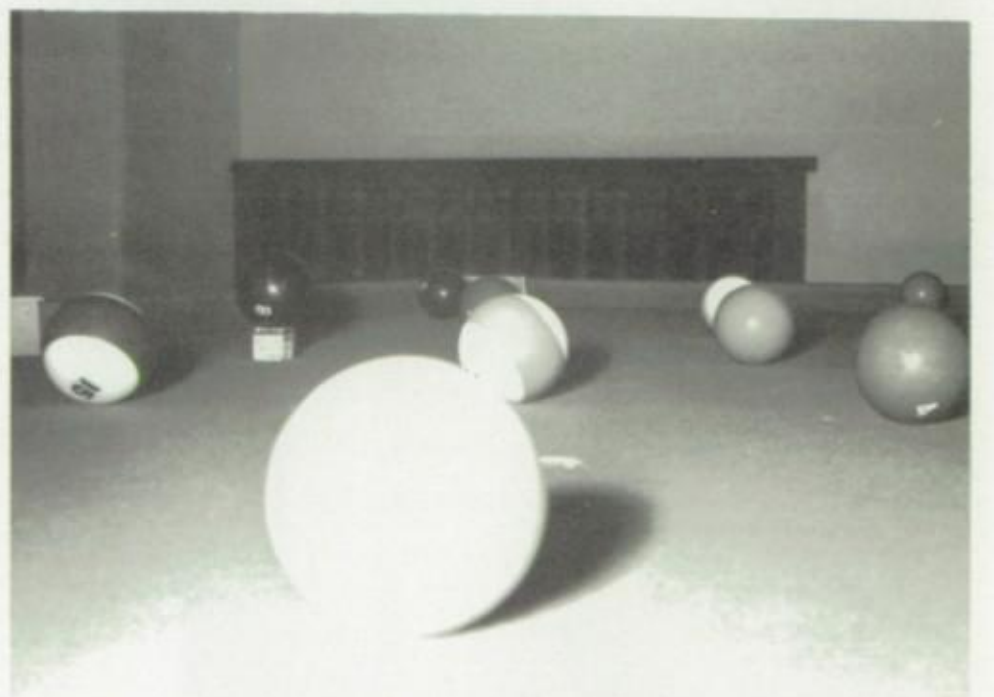

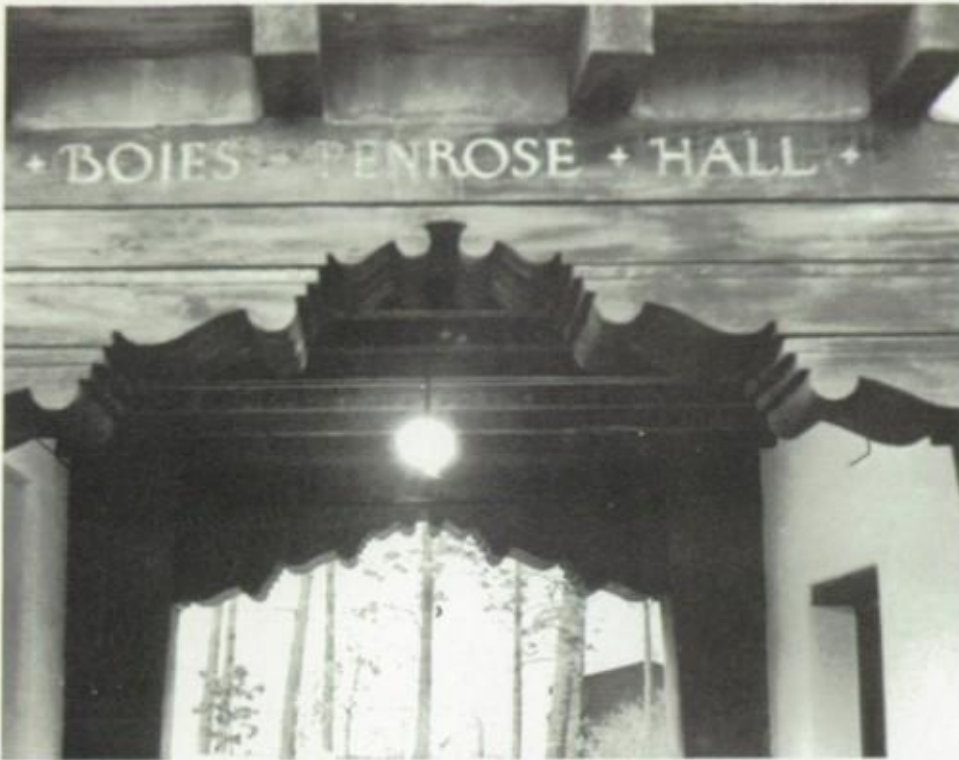

Let's just kick this around...
 "They-ahl be ah meetin of the Vahsity
 Club at mah table aftah lunch."
 Thirty words, gentlemen.
 Such a naughty...
 Sit ye down, mes enfants!!!
 Will the following please see Mr. Hur-
 ley at his table after lunch.
 Where were you yesterday after classes?
 Now here's a nice college I've been
 pushing lately.
 There's no need for us to discuss this any
 further...
 Now, you guys...

...THE WISE

O come on, use your KIDNEYS!
 Now ut the ooutset, we have the
 Tuckahoes and the Cohees...
 That was a Freudian slip!!!
 If there are any guns left in your rooms
 by tomorrow...
 There are 98 people in our dorm... and
 8 of them are Wilsons.
 Now here is what the clunk will do...
 You're so limited...
 Well, that's a good point, BUT...
 Now, let's see... today's Wednesday?...
 My Table First!!!
 For the last time, Porter, Will you
 stop...

ACTIVITIES AND CLUBS

STUDENT COUNCIL

(FRONT ROW) Mr. Lewis Perry, Jr. , Stroh, E. , Becker, Douglas, M. , Conover; (BACK ROW) Austin, von Bachmayr, Scott, Stacey.

Often one thinks of the function of the Student Council in terms of the achievement of a better relationship between the faculty and the student body. This is certainly true, but over the past year, the 1965-66 Student Council has sought to do more than this. For, through Mr. Lewis Petty, Jr. , they strove not merely for a better relationship, but for a better understanding between the faculty and the students.

In many instances, the Student Council was responsible for positive action on the part of the faculty, because in presenting the requests of the student body, they also brought the faculty to understand the student reasoning behind the questions at hand. Certainly one instance that points to the Student Council's effective handling of the situation was "getting back the Common Room". Had the Council not brought the faculty to understand that our requests did not hinge merely on the smoking permission, we would probably have never gotten back the privilege.

For the first time in the history of the school, the Student Council took an interest in the student governments of other schools, in the Colorado area; and also for the first time, they were represented in the All City Student Councils. Through this organization our Council was able to exchange ideas with Councilmen from other schools, and thus create better relations than might perhaps have been generated at a football or hockey game. As a direct result of the Council's efforts, Fountain Valley became a part of the exchange assembly program, and in connection with this the FVS Drama Club put on "Beyond the Fringe" at the Widefield High School.

Thus, the keynote to the policies, and in turn, the accomplishments, of the 1965-66 Student Council was understanding: understanding not only here at school, between faculty and student, but also an understanding between schools.

THE OWL

Often the staffs of student publications feel that they must institute changes in a new issue, just for the sake of change. Last year's OWL incorporated many changes, but did so in a discriminating way, which resulted in a topnotch publication, being the first at Fountain Valley to be printed by the American Yearbook Company. This year we feel that major changes are unnecessary, and in retaining last year's much improved format, we hope to encourage a continuity and even a tradition which hopefully will appear in successive issues from year to year.

It goes without saying, however, that there is always room for improvement. This year, we strove for a more tasteful and artistic layout plan, as can be seen in the arrangement of pictures and copy on each page. In order to portray each senior better, moreover, more senior quotes were used this year than ever before. Where-

ever possible, more candid and so-called "riot" pictures were used. Another improvement is evident in the faculty section, where we have used many more candid pictures. We feel that this is indeed a significant change, for in the years to come, many memories of Fountain Valley will certainly be associated with the faculty. Another first this year was the addition of informal pictures to some of the Activities write-ups.

The Owl on the cover design was not chosen at random this year, but rather was patterned after the original representation for which the yearbook was named, the clay owl in the foyer of the Administration Building. We hope that next year's staff will make an effort to maintain some of the trends established with this and last year's publications of the OWL.

Acknowledgements:

It would be impossible to thank everyone who helped us in the preparation of the 1966 OWL. We would, however, like to offer our particular thanks to Mr. Smith, the faculty advisor, and Miss Harding, whom we regularly appealed to for help; to Mr. MacAlpine, the yearbook representative, who took our last minute corrections without even giving us a dirty look; and, of the students, Carl Eklund, who helped us write out the articles that last week before spring.

THE DANE

(KNEELING) McLaughlin; (STANDING) Eklund, Frisselle, Becker, Brewer, Stacey, Davis, Townsend.

This year's Dane proved to be a wonderful conglomeration of typographical errors, humor, and, believe it or not, news. The first issue, despite the aforementioned typographical errors, was well-received by both the student body and the faculty, and this responsive reception encouraged the Dane staff to plunge ahead with more independence and originality.

Due to the recalcitrance of several notorious Colorado Springs merchants, Warren Townsend, business manager, has been trying to climb out of the hole ever since the beginning of the year. In retaliation, the Dane staff has launched an all out attack on the Colorado Springs Chamber of Commerce, centering its ire upon one Guide Travel Service.

Despite this problem, and a mild case of deadlinitis, the Dane staff has nonchalantly borne up to the situation, and graced the student body with a series of successively more successful Danes, highlighted in the Spring by the publication of the mun-DANE. This exceptional issue of news-packed nonsense was greeted with peals of ecstatic delight, even by the faculty (much to the relief of Dane staffers).

Along a more serious vein, however, there were some marked changes which added greatly to the dignity of the paper. For one thing, the structure and arrangement of pictures and copy was a great improvement over the often haphazard format of previous years. The editorials were of a more dignified nature, dealing with problems of real importance, rather than the somewhat childish topics discussed in last year's Dane, such as sixth form sun-bathing privileges, etc.

There is only one question which bothers the 1965-66 staff about the Dane in the coming school year: what will be done without Mr. Emery? His invaluable assistance and encouragement was an important incentive, and certainly the major factor contributing to a year of successful Danes.

LIT REVIEW

Heintges, Brewer, Frisselle, Davis

The Literary Review has done a fine job of presenting to Fountain Valley students and parents the best work in the literary field.

The fall issue of the Lit, edited by Brad Frisselle and Jon Brewer, with help from Ben Trovado (the mascot), was a rousing success. The judges, chosen from the Colorado College and FVS faculty, unanimously praised the issue, with particular emphasis on the art and poetry. The magazine showed a good cross-section of the literary and artistic ability at Fountain Valley School.

The Literary Colloquium, a function of the Lit, also gained praise from those attending. The panelists were Dr. Henry Geiger, the editor of Manas Magazine, Mr. Michael Goldman, a teacher at Columbia University, and Major John Galt, a teacher at the U.S. Air Force Academy. The topic for discussion this year was "What is a reasonable protest", and it was discussed in such a way as to be both interesting and enriching to those attending.

The second edition of the Lit, handed out at the Colloquium, to which students from eight Associated Colorado Independent Schools

contributed, was also very successful. Although it was not as long as previous editions, it concentrated on quality not quantity.

1965-66 has certainly been one of the best years for publications at FVS., "highlighted" by the introduction of the PUP. The Literary Review has earned its praise, and deserves to rank with the DANE and the OWL (and the PUP).

The success it has gained, however, would not have been possible without the assistance of Mr. Emery, who is shown below at press-time.

FALL SPORTS

This year's fall sports season did not have as impressive a record as last year's, but the performances turned in by the various teams were certainly commendable.

The Varsity football team had the most disappointing season this year. With a 1-6 record, most people would throw in the towel, but the whole team feels that the season has not been wasted. Many formerly inexperienced players have gained invaluable knowledge this year, which will undoubtedly contribute to a more successful season next year. The patience, and untiring devotion shown by coaches Babcock, Flugstad, Mason, and Lindeman was certainly an important factor in giving the team unity and spirit.

The soccer and tennis teams enjoyed truly fine seasons, as winning seasons must always be. The soccer team was undefeated in the ACIS league, and the only two losses of its 7-2 season came at the hands of the Air Force Academy and Colorado College. Thus, the team was able to successfully retain the ACIS Soccer Cup, which now stands in the FVS trophy room.

The tennis team, enthusiastically coached this year by Mr. Emery and Mr. Moroney, pulled through cum laude this year with another winning season, as is indicated by their 6-4 record. The beginning of the year was spent mainly in rebuilding the top six, which should also be the strongest in the state next year.

Encouraging, too, are the records of the Pup teams this year, with the 2-1 Pup football record in the Front Range League, and the 6-1 Pup football record. Certainly, there are many athletes coming up in the ranks, who will undoubtedly add to another successful Varsity year in 1966 fall sports.

VARSIITY TENNIS 6-4

The Varsity Tennis Team wound up another extremely successful Fall season with a fine record of six won and four lost. At first, with many newcomers, it looked as though the team would have a hard time living up to their reputation, but with the sound advice, skill, and genuine enthusiasm of both Mr. Emery and Mr. Moroney, the squad pulled through with flying colors. In contrast to last year's team, the 1965 squad demonstrated much higher competitive spirit, which certainly contributed to the fact that many of their wins were over equally matched opponents.

Eight boys competed in the Varsity competition this year. Some statistics for the entire year are: Brent Abel, who was the number one player, carried a 9-1 singles record. His only loss was to Bill Pearce of Cheyenne. Chell Austin, the solid number two man, who came all the way up from the number eight man last year, has the greatest two-handed backhand in captivity, and held a 4-6 record. Jon Brewer, captain of this year's team, also had a 4-6 record, and was one of the best doubles players on the team. Robby Kelly, the late-comer to the team, held a 7-2 record, and was probably the best doubles player on the team. Dave Rumbough, who played between the number four and number seven position, shows good promise for next year. Peter Stacey who played from positions five to seven, made a great rise from last year's junior Varsity team, yet was able to play in only three singles matches. Bill Sheridan, the player who was the solid number six man at the end of the season, carried a 7-1 record.

Palmer, the leader of the South Central League, was undefeated until they stepped onto the Fountain Valley courts. The last five matches of the schedule we were highlighted by a fine match with Pueblo Centennial. The Danes met very stiff competition, yet with brilliant playing pulled out a well-earned 5-2 win.

This was the case throughout the fall, but a fine spirit and sense of team unity pulled the Danes through for another impressive season.

VARSITY FOOTBALL 1-6

As our coach Mr. Brad Babcock says, a season is either a winning season or a rebuilding one and the 1965 football season was a rebuilding one. The team cannot brag about having a great or a superlative season, but neither can it say that it was a complete failure. For even if the won-lost record looks disappointing, it does not indicate the effort put in and the valuable experience gained by a team that consisted of only a handful of sixth formers and about twenty-five fourth and fifth formers who showed that with the valuable playing time they put in this year, they will come back next year to form a much stronger team, and hopefully a highly successful one.

After rather sobering losses to Denver Country Day in eight man competition and Canon City Abbey in regular ball, the team settled down to more consistent and harder play. On October 9 against Annunciation, the team played a long passing game that chalked up 19 points but lost a heartbreaker, 20-19. A little spooked by the lights at Walsenburg, the team took a 7-0 lead into the bus at half time, but faltered in the second half to lose its fourth game 13-7. Against Trinidad Catholic on October 23, the Danes couldn't quite get enough points to match Trinidad's two quick first half touchdowns and in spite of two touchdown passes to Brent Abel and Dick Lane, the team dropped its fifth game, 26-13. If a long bus ride ever gave a team a spark, it did on October 30 when the team made the trip north to play St. Anthony's of Sterling. Down 13-0 at the half, the Danes roared back on Six Pack Packard's interception of a St. Anthony pass, Bill Fraser's 30 yard touchdown run and Mark Watson's perfect extra point placements to notch the lone victory of the season, 14-13. After the win, a high-spirited team faced the "big" rival from Denver, Colorado Academy, and the Mustangs gained their revenge for last year's 41-13 defeat by running over a fighting but out-weighted Dane team.

Heading the list of standouts on this year's team were defensive stars Lee Stinchfield, Jim Holbrook, and Al von Bachmayr, and the offensive stars Bill Fraser, Drex Douglas, Mark Watson, the littlest guard Scotty Rice, and end Brent Abel. Among the other greats were Craig Jones, the frustrated passer, Dick Lane, the hard runner, Hugh Bancroft, the center, Ted Weissman, the stingiest defensive guard, Billito Donnell, 135 lbs. of the toughest tackler north of the border, and Carl Eklund, who needed binoculars to spot receivers. And even if the team won only one game, it can drink to the experience gained and those returning lettermen can look forward to next year--and revenge on C. A.

VARSITY SOCCER 7-2

It has been traditional for Fountain Valley to produce a winning soccer team. This year's squad was no exception. Unbeaten in the ACIS league, the overall season found the Varsity scoring 38 goals to their opponents 9. Porter Davis, aided by one of the greatest defense Fountain Valley has ever seen, turned in five shutouts, raising his two year total to 11 shutouts.

The Danes began the season by defeating the Whiteman team, 7-0. This early victory gave the Danes a great deal of encouragement, since they had only been able to get in a week's practice prior to that victory. After another easy win, this time over the Denver Country Day team, by a score of 4-0, the Danes faced what was probably their most difficult encounter, and succumbed to the Air Force Academy Freshmen team, 4-0. It was not until the third quarter that the Danes showed signs of unity, but even then it was unfortunately too late. Fountain Valley spirit was enlivened, however, by a decisive win over Santa Fe Prep, with a score of 7-2. The Danes played the Colorado Rocky Mountain School team under somewhat difficult circumstances, with high winds and a sloppy field, a return victorious with a 5-1 triumph.

The FVS defensemen did a brilliant job in holding back the Colorado College '69 Tigers. With a 1-0 lead which the Danes held until the very end, it looked as though FVS had the game in the bag, until CC offense-men hit hard with two goals in the last minutes of the game. This was the only heartbreaking defeat for the FVS team, but any low spirits that may have resulted were soon revived with two shutout victories that soon followed, over Denver Christian and Santa Fe Prep.

The Danes put the finishing touches on a near perfect season with a 2-0 victory over Colorado Academy. The game was a close, well-fought battle between two fairly evenly matched teams, but FVS dominated the play on account of their superior experience and team coordination.

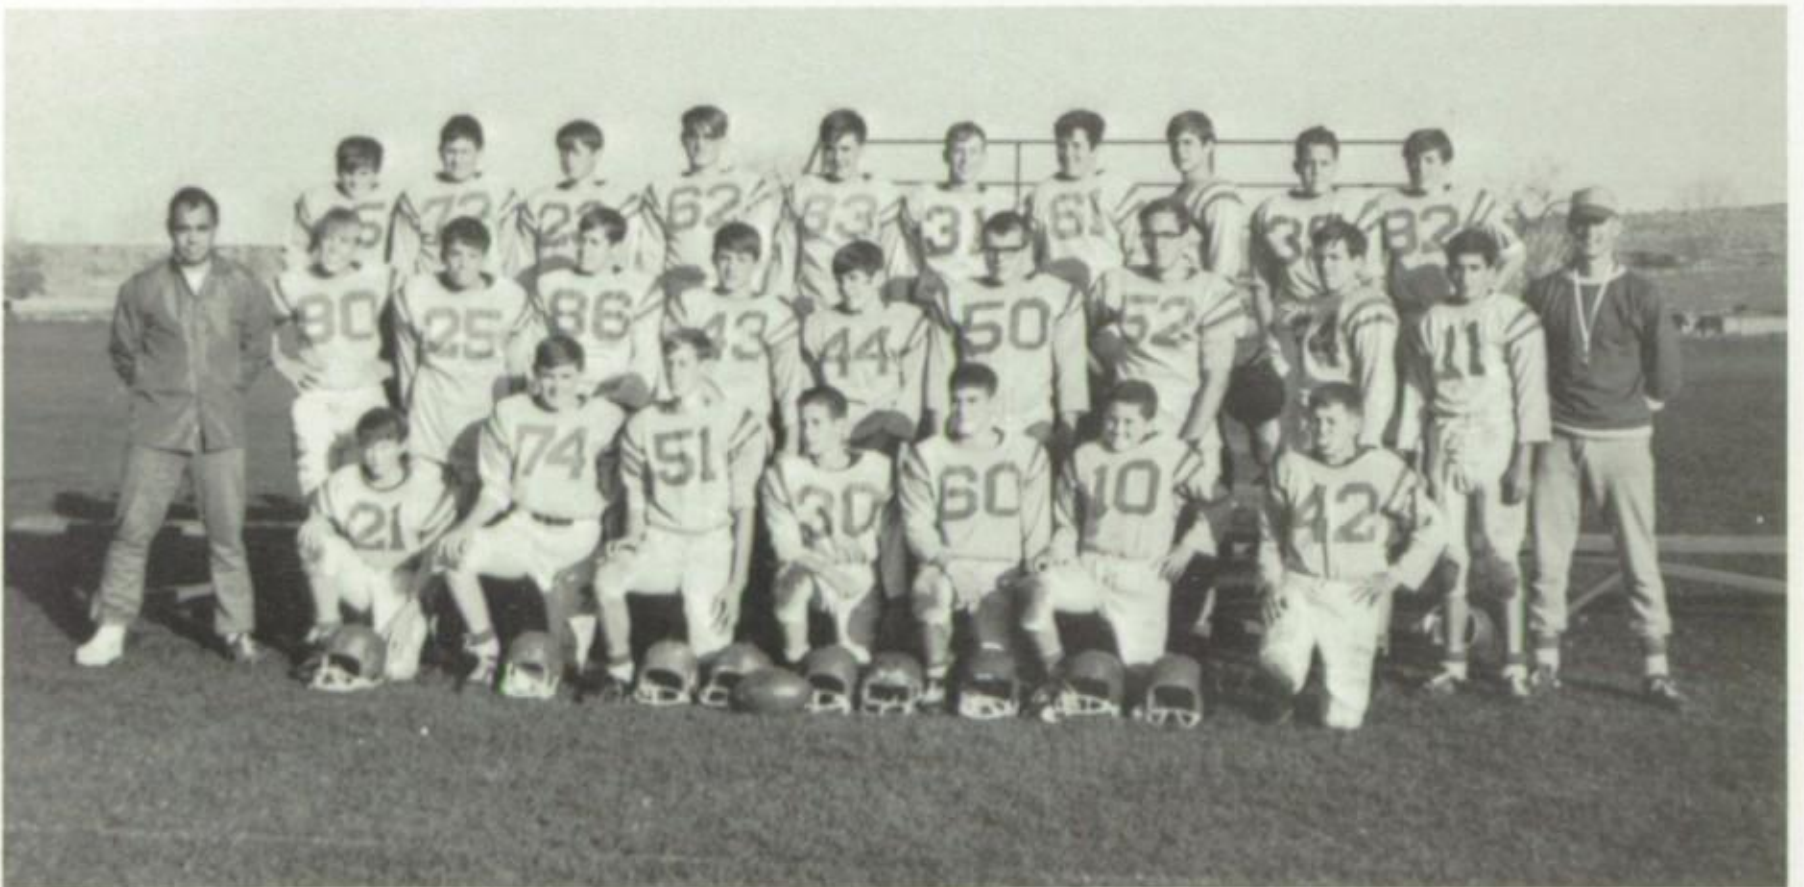

Throughout the season, all members of the FVS team showed a great deal of enthusiasm, not to speak of their uncommon ability. Particular mention, however, must undoubtedly go to Abdillahi Haji, Hisham Al-Otaibi, and Brock Hutchins, all of whom showed exceptional agility and an enthusiasm in imparting this to other members of the team. Without the skillful coaching of Mr. Raushenbush and the genuine interest of Mr. Boyce, however, the winning season, and the retention of the Headmaster's Cup, would have been impossible.

WINTER SPORTS

Although the winter sports season was not impressive in its record, each team improved towards the end and showed great promise for future years.

The varsity basketball team, coached by Mr. Babcock, finished the season with a 5-12 record. They won four of the last five games, showing a vast improvement from the beginning of the season. Their best played game of the season was against the Wasson "B" team. The first time they played them they were beaten by 40 points. This defeat was avenged in the second game when the Danes pulled out of a squeaker and won by one point.

The wrestling team was again plagued by a shortage of men and was unable to fill all the weight classes. With only one experienced wrestler on the squad, they were not able to win a match but showed much promise for coming seasons.

Playing AAA teams, the hockey team could compile no better than a 7-8 record for the season. Led by coach Chuck Mason, the team wound up fourth in the league above Billy Mitchell and Widefield. The high point of the season was a 3-2 win over Wasson. Having only one senior on the team shows the potential for coming years. Captain Pete Packard won the Doc Romnes award at the post season banquet.

The ski team, coached by Mr. Greening, showed a marked improvement over recent years. Only once did Colorado Academy, the traditional rival, manage to beat the F. V. S. skiers and that was by a close margin. Drex Douglas and captain Jeff Anderson suffered injuries toward the end of the season which hurt the team in the last meet. Both Jeff and Drex won enough points to move up to class "C". Drex Douglas won the award for the best skier and is also next year's captain.

Although neither Pup team had a winning record, they showed that there is much to look forward to in coming years. The Pup hockey team finished with a 4-4 record. Coached by Mr. Boyce the Pup pucksters managed to beat or tie every team in the league except one. The pup basketball team, under the direction of Mr. Lindeman, did well in maintaining a 6-9 record. Though they lost by four points, their best game was against C. A. who had trounced them earlier in the season. In their last week of play, they won three out of four games.

(FRONT ROW) Brewer, Kimball, Edmonds, C., Rice, Klapp; (BACK ROW) Riggs, Watson, Scott, Buckingham, Fraser, Mr. Babcock.

VARSITY BASKETBALL

5-12

The '65-66 basketball season, although not a winning one, was a season marked by a steady improvement that reached its climax in the final week of the season as the team won its final three games over Wasson B, a team that had beaten the Danes by thirty points in their first meeting, 57-56, Colorado Academy for the second time, 70-53, continuing Fountain Valley's basketball mastery over C. A. on the hardwood over the past few seasons, and Denver Country Day, 56-33.

Although this year's team did not have the big men under the basket that last year's did, it found some very able rebounders in Buck Buckingham, Bob Bryan, Jim Scott, and Mark Watson, outside shooters in Chris Klapp, Watson and Scotty Rice, and the consistently fine play of captain Jon Brewer, who turned in 23, 23, and 20 points respectively for the final three games of the season.

The team showed that it could improve during the season, and judging from the crop of fifth and sixth formers who will be returning next year, it looks as though the basketball team might soon be on its way back to a winning season, even though it will face a tough schedule and bigger and better rivals.

JUNIOR VARSITY

(FRONT ROW) Eklund, Lane, Krebs, Wright, Stalker, L.; (BACK ROW) Emerson, Riggs, Tyler, Cheney, W., Mr. Cronk.

(FRONT ROW) Elliot, Boddington, Fee, Drake, M. , Drake, W. , Porte; (STANDING) Mr. Mason, Forman, Packard (captain), Myer, Rumbough, Abel, Bartholomew.

The 1965-66 hockey team, led by Peter Packard, was plagued with inexperience compared to the other teams in the league this season. It was a young team, with nine Fourth Formers, Four Fifth Formers and only two Sixth Formers. With this in view we can certainly look forward to an excellent team next year. The goalies were also a problem this year. Danny Fee did a fine job until he was hit in the head with a puck, leaving the goal to Mark Drake, previously a Pup player. Dick Forman turned in a fine performance at the other end of the ice by scoring a miraculous number of goals.

The first game of the season on Nov. 22 came too early for the inexperienced Danes, and they dropped it to Cheyenne. A week later, the Danes lost to an overpowering Wasson squad, 9-1. The pucksters, having gained actual game experience, then beat Widefield 7-1 and Mitchell, 4-2. In the last game of the first round, the Danes were trounced by Palmer.

The hockey team, for the first time, traveled this year to New Jersey for the Lawrenceville Tournament, where we lost all our games to more able Eastern teams.

On returning from vacation, the Danes won their first game with Mitchell, 4-2. They then lost to Palmer 5-1, beat Widefield 10-3, and dropped to Cheyenne 7-0. The school's biggest victory came when the team squeaked by Wasson, 3-2.

The third round got off to a bad start when the Danes dropped their first three games, one to Palmer 5-1, one to Wasson 5-2, and the last to Cheyenne 4-2. FVS then came back by winning the last two games of the season, defeating Widefield 4-3 and Billy Mitchell 4-1.

Although the Danes ended the season with a 7-8 record, the young team was ably coached by Chuck (Punch) Mason, who did much to improve the boys' skills and spirit throughout the season.

WRESTLING

This year's wrestling team, led by captain Bill Ballantine and coach Jerry Johnson, was enthusiastic, but unfortunately inexperienced. As was the case last year, they, too, suffered the problem of small numbers, thus having a large number of weight classes that could not be filled.

The team, in their two scheduled matches, faced schools that had a great deal more experience. Unfortunately, both matches were lost. In their first match, the wrestlers were defeated by the Deaf and Blind School, Bill Ballantine being the only member to win his match.

Although for most of the team, this was their first year, many of them show promise for next season.

SKI TEAM

At the beginning of the year, the Fountain Valley School ski team had a little trouble getting straightened out. For our invitational ski meet the third team placed second, and the second team placed third and the first team placed seventh. Drex Douglas placed fourth and Jeff Anderson placed sixth out of ninety four finishers. The second meet was a G. S. at Monarch Ski Basin. This was an individual, not a team, race. Drex Douglas placed first, Anderson fifth, Bill Sheridan seventh, John Adams eighth, Chris Bancroft and Griff Davidson fourth and fifth respectively in their class. The points earned in the first two races enabled Douglas and Anderson to become classified in Class C. The next meet was the Colorado Rocky Mountain School invitational at Aspen. In the slalom, Drex Douglas placed second and Jeff Anderson third. This gave the team second place in that event. In the G. S., Douglas placed first, and the rest of the team came down the course on their backs. The following weekend there was a J. V. race at Vail. In this race Jamie Knowlton placed seventh and Fred Ford twelfth, out of sixty contestants. On the long weekend, Drex Douglas went to the Class C championships at Purgatory. Drex had some hard luck with some soft snow and twisted his ankle. The Steamboat Springs Winter Carnival was the scene of the team's first real loss, Jamie Knowlton being the only person to place, taking third in class C. The last meet at Arapahoe Basin was a real success. The team placed second overall, with Ted Weissman taking first.

Next year should be a very good year for the ski team. They are only losing two members by graduation, and the rest of the team is really coming alive. The only regret that the ski team has is that Mr. Greening will not be back next year. He has been a great coach during the last two years.

ABOVE, a Fountain Valley Junior I skier takes the first gate of the course on Lodgepole, at Vail, Colorado. At this meet, the FVS first team placed seventh, our second team third, and our third team second. The long hours put in by Mr. Greening, Mr. Pope, and "Rat" McLaughlin, and by student gate-keepers and timers, made this FVS-sponsored meet a great success.

These are scenes of the Fountain Valley Invitational Ski Meet at Vail, Colorado. BELOW, skier barrels out of the starting gate at the top of "Lodgepole."

Home of the Scout

They just don't build covered wagons like they used to

Today's campers go pioneering a new way . . . the INTERNATIONAL way.

For those who go the luxury route we build smooth riding action-packed pickups—in 2 or 4-door styling—to accommodate most camper bodies. And they're built tougher all around to take trail pounding longer. Options like all-wheel drive, big V-8's and power brakes make going even easier.

Our TRAVELALL® was designed by a real wagonmaster. It's built big the way a station wagon should be—plenty of room for 9 people and all their gear.

Want a sporty little trail blazer? Try our SCOUT®. Comes in six styles with optional bucket seats. There's even a new Turbo-Charged engine for greater performance. And it's so easy to handle...goes almost anywhere.

The INTERNATIONAL wagontrain is 88 models long. Hitch up to one. You'll find the right model at the right price at your INTERNATIONAL Dealer or Branch, listed in the Yellow Pages.

Additional information on camper bodies shown may be obtained by writing to International Harvester Co., 180 North Michigan Ave., Chicago, Illinois 60601.
